

OUR SCHOOLS SHINE WITH CHROMEBOOK TECHNOLOGY

VISION

- Advance technology in all our Catholic schools
- Rollout Chromebook Integration in our Catholic schools
- Support academic growth throughout our campuses
- Transform learning by promoting creativity, problem solving, and critical thinking skills
- Improve communication for family and school communities
- Inspire discovery, connection, learning, and fun in education

PASSION

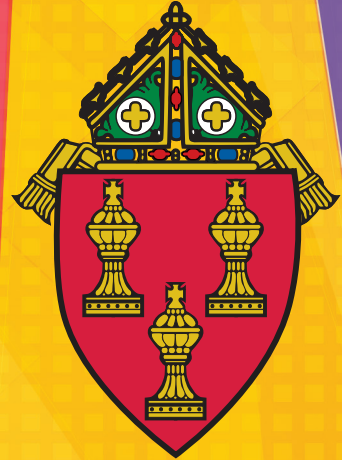

- Engage and excite our students
- Prepare our students to be lifelong learners
- Pursue excellence in standards and curriculum
- Spark the imagination with the love of learning

ACADEMICS

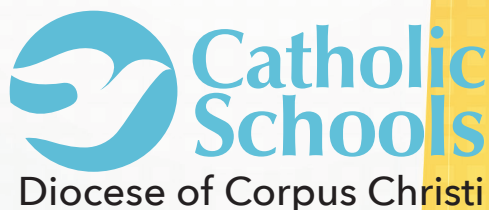

- Prepare our students with the 21st century skills for college and the workforce
- Integrate technology and STREAM in curriculum
- Create collaborative communication with students and teachers
- Inspire collaborative learning
- Provide a dynamic learning environment in and out of the classroom
- Promote safety and awareness through digital citizenship
- Engage teachers to utilize up to date technology as a teaching tool

ENRICHMENT

- Promote and support all learning styles and levels
- Connect with global education community
- Develop higher-order thinking and critical learning skills

*Let
them
Shine
as Beacons
of Hope,
Radiants of
Knowledge,
and as
Disciples for
Christ*
